Continuation of (e) Other:

At page 17 applicant states in the first full paragraph:

Regarding independent claims 4, 29 and 31, each of these claims is directed to an overlay that is only a text overlay. In view of these amendments, it is respectfully submitted that all pending claims are in all aspects in compliance with 35 U.S.C. 112, second paragraph.

At page 17 applicant states in the third full paragraph:

Regarding independent claims 4, 29 and 31, the claims have been amended to clarify that these claims are limited to text overlays. Consequently, processing only graphics or graphic combined with text overlays is not within the scope of this claim. Therefore, these claims do not preempt all substantial use of any computer program, software or mathematical formula.

However, claims 4, 29, and 31 filed on 12/13/2007 have not been amended or these claims do not show the amendments in the manner required by 37 CFR 1.121 and they not have the status identifier (Currently Amended).
